Students Reinventing Cities

Consent Form for Minors (under 18)

Submission materials and image

Please read this form and sign it in order to indicate your consent.

Who is it for?
This Consent Form for Minors (under 18) is mandatory for participants in the Students Reinventing Cities competition who, despite being enrolled in a university, are under 18 years of age.

The consent form must be completed and signed by a parent or legal guardian and included in the submission ZIP folder.

Who we are

C40 is a network of mayors of nearly 100 world-leading cities collaborating to deliver the urgent action needed right now to confront the climate crisis. Together, we can create a future where everyone, everywhere can thrive.

Students Reinventing Cities is C40's global competition for young people to redesign urban areas into green & thriving neighbourhoods. Through the competition, cities call on young people to share their ideas to make our public spaces better, greener and more inclusive.

Consent

By signing this form, you hereby grant C40 and Students Reinventing Cities partners the non-exclusive, perpetual, irrevocable, sublicenseable, worldwide right to reproduce, distribute, publicly display and perform the content piece in all media now known or later developed, in connection with the Project and C40's charitable and educational purposes. You also hereby grant C40 and Schools Reinventing Cities partners the non-exclusive, royalty-free, perpetual, sublicenseable, worldwide right to use your name, likeness, and biographical details in connection with the content piece in all mediums now known or later developed in connection with the Project for the non-commercial purposes noted above and not for any other purpose.

In the event the student's project is selected as a winning submission, you further consent to C40 facilitating direct contact and interaction between the student and C40's private

sector delivery partners for the sole purpose of developing and implementing the student's plan as part of the project. These interactions may include, but are not limited to, virtual meetings, mentorship, and joint planning sessions.

For more information about how C40 handles and stores your information, please review our Privacy Notice. We understand that you might change your mind in the future. You can contact us at any time to withdraw your consent by emailing students-reinventingcities@c40.org.

I give my consent for you to share and use the student's project submission materials (e.g., videos, drawings, graphic illustrations, and written pieces) and their image for the purpose of Students Reinventing Cities, as set out in this form.
