INVITATION

Dear Interested Party

The City of Cape Town cordially invites you to attend an information session about the Reinventing Cities competition, involving the release of four underused City-owned sites to demonstrate the City's commitment to innovative carbon-neutral, sustainable, and climate resilient urban development.

This initiative forms part of the C40 Reinventing Cities Programme, a global architecture and urban design competition that opened for entries on 4 December 2019.

Interested parties will have an opportunity to learn more, and ask questions about the City's expectations for development proposals for these sites that are located in Transit-Accessible Precincts in Athlone, Mitchells Plain, Diep River, and Goodwood.

Date: Friday 14 February 2020

Time: 09:00 - 10:00

Venue: Banqueting Hall, 5th Floor, Podium Block, Civic Centre,
12 Hertzog Boulevard, Cape Town

RSVP: Please [click here](#) to RSVP your attendance by Tuesday,
11 February 2020

Programme

- Opening and welcome
- Context - Cape Town's commitment to climate action: transforming the city through climate smart development
- Reinventing Cities competition overview
- Overview of Cape Town's four sites
- Question-and-Answer session

If you are an organisation with membership, kindly assist us by forwarding this invitation to your members.

The City is looking forward to receiving proposals that demonstrate sustainable, climate resilient and carbon-neutral development and innovative design principles for the portfolio of sites. Please click on the links below for more detailed information on each site:

1. [Athlone station](#) car park
2. [Kapteinsklip station](#) precinct in Mitchell's Plain
3. [Moquet Farm](#) in Diep River.
4. [Tygerdal site](#) at the Monte-vista station, Goodwood.
